Subject: Revision of National Energy Project

I refer to your letter dated 2 September 2013.

At present, the SEA Focal Point is not in a position to provide any information or details, further to what has already been provided. You are kindly requested to continue to address your concerns to the Ministry for Energy and the Conservation of Water, as the responsible authority, which will no doubt provide you with the answers at the appropriate juncture.

It would be appreciated if we were also copied into any replies from and to the Ministry as and when they are exchanged.

Sincerely

Kevin Gatt
