Dr Konrad Mizzi
Minister for Energy and the Conservation of Water
Auberge de Castille
Valletta

8th October 2013

Dear Minister,

Revision of National Energy Policy – Strategic Environmental Assessment

Din I-Art Helwa wrote to the SEA Focal Point on 27th June 2013, raising a concern about the procedures and environmental assessments being followed in relation to the revision of the National Energy Policy.

A series of correspondence, always copied to the Permanent Secretary at the Ministry for Energy and the Conservation of Water, has been exchanged, and copy of the full correspondence is attached to this letter.

The SEA Focal Point has informed Din I-Art Helwa that all correspondence should now be addressed to the Ministry. Over three months have passed and we still have not received a full reply.

We trust that you will take this matter in hand and ensure that Din I-Art Helwa receives a full reply as soon as possible.

Yours sincerely,

George Camilleri
Secretary General
Din I-Art Helwa
